This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Derrick Williams d/b/a MedSouth Transportation (“Applicant”) to reinstate Class C (Non-Emergency) Certificate of Public Convenience and Necessity No. 7089-A. Certificate No. 7089-A was issued to the Applicant pursuant to the authority granted by Commission Order No. 2007-309 (May 16, 2007). This Certificate was later revoked after a hearing by Order No. 2010-772, issued on November 17, 2010, for failure of the Applicant to file an annual report and/or a gross receipts form, as required by the Regulations. The record reflects that an annual report has now been filed.

Since the annual report has been filed, we find and conclude that the Applicant is now in compliance with Commission Regulations, and the previously cancelled Certificate should be reinstated. However this reinstatement is conditioned on further compliance with all other applicable statutes and regulations. Prior to such compliance, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

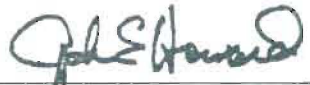

1. That Class C (Non-Emergency) Certificate of Public Convenience and Necessity No. 7089-A of Derrick Williams d/b/a MedSouth Transportation be, and hereby is, reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, the motor carrier services authorized by the Certificate shall not be provided.

4. That this Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
